**Re: Arx Wireless Infrastructure, LLC — Proposed Telecommunications Facility
at 1061-1063 Boston Post Road, Milford, Connecticut**

Dear «Salutation»:

Arx Wireless Infrastructure, LLC ("ARX") will be submitting an application to the Connecticut Siting Council ("Council") on or about March 29, 2021, for the construction of a new telecommunications facility in the City of Milford, Connecticut.

The proposed facility would consist of a new 115-foot monopole tower in the rear of the 2.44-acre parcel at 1061-1063 Boston Post Road in Norwich (the "Property"). The tower and equipment will be installed within a 60' x 60' fenced facility compound. Access to the facility would extend from Boston Post Road along existing paved parking lot. Site plan drawings for the proposed facility are attached for your review. The location and other features of the proposed facility, including tower height, are subject to change under the provisions of Connecticut General Statutes § 1650g et seq. and 47 U.S.C. § 1455e.

State law provides that owners of record of property which abuts a parcel on which a facility is proposed to be located must receive notice of the submission of this application. This notice is directed to you either because you may be an abutting landowner or as a courtesy notice

If you have any questions concerning the application, please direct them to either the Connecticut Siting Council or me. My address and telephone number are contained in this letter. The Siting Council may be reached at its New Britain, Connecticut office at (860) 827-2935.

Very truly yours,

Philip C. Pires
